Spiral Lamp plywood base - full-size templates (3mm ply)

Print at 100% / "Actual size" (turn OFF "fit to page"). Check the 100 mm and 4 in bars on every page.
Each piece is tiled across Letter pages with a 10 mm overlap. Line up the grey crosshairs, tape, then spray-glue or tape the template onto the plywood and cut on the black lines. Blue dashed lines are layout marks.
HAND CUTTING (scroll saw / jigsaw): saw on the waste side of each black line and sand to it. Red crosshairs = drill holes (size printed). Hatched WASTE areas = inside cutouts: drill the 8 mm (5/16") red-circle entry holes, thread the scroll-saw blade (or drop the jigsaw blade in) and saw out. Slots: drill both ends, saw/file between.
Page labels: PIECE row r / col c (row 1 = bottom of the piece).

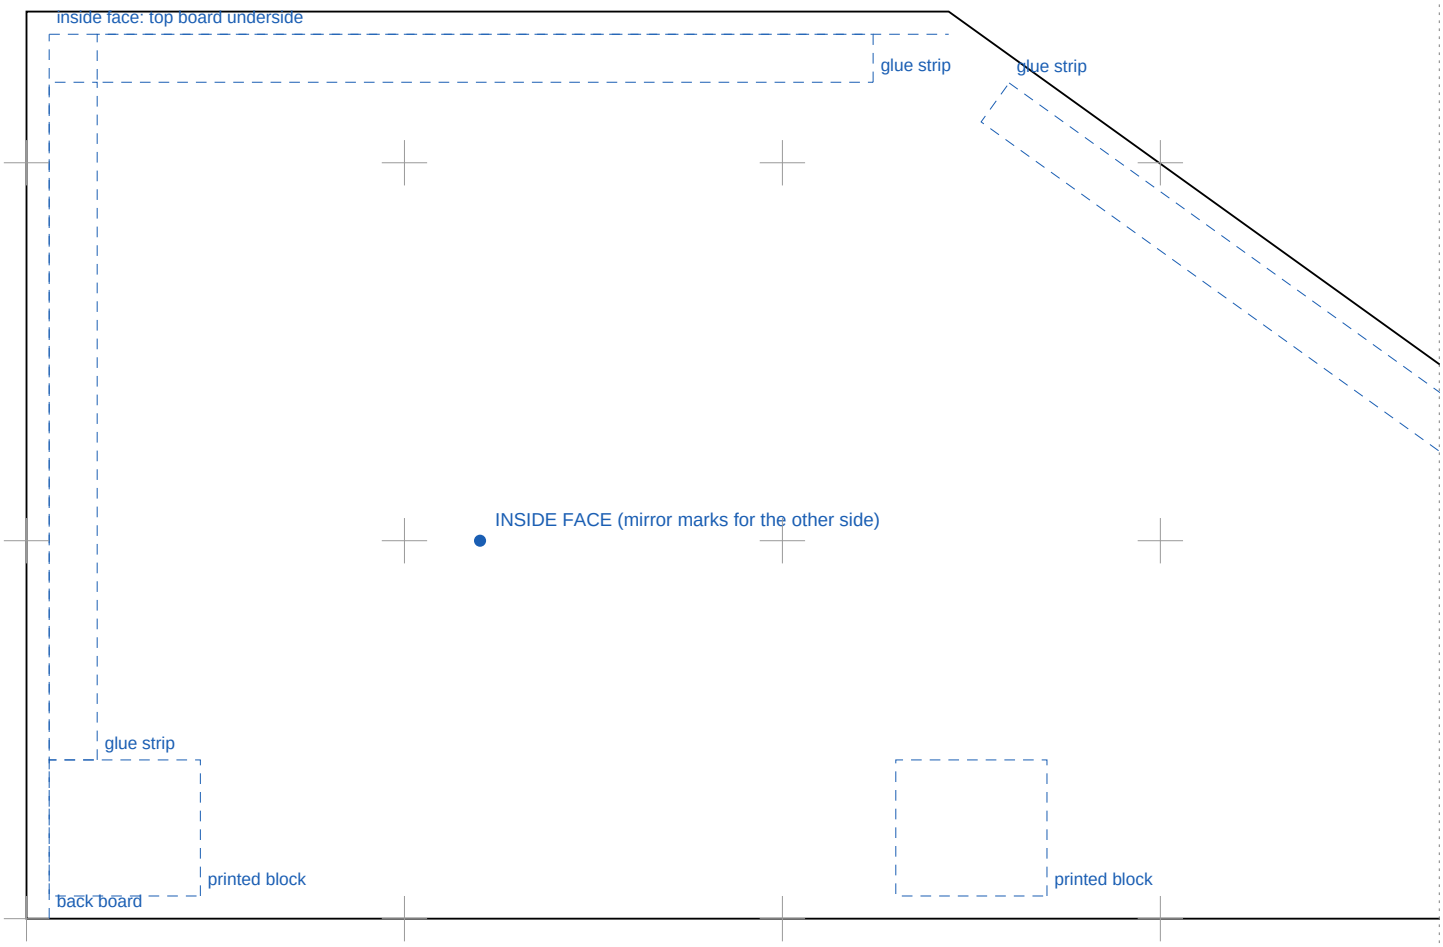

side: 250.0 x 120.0 mm, make 2
back: 204.0 x 117.0 mm, make 1
top: 122.0 x 204.0 mm, make 1
slope: 155.6 x 204.0 mm, make 1
front: 204.0 x 25.5 mm, make 1
bottom: 243.0 x 203.0 mm, make 1

Print at 100%. Both bars must measure true.

SIDE (make 2) row 1/1 col 1/2

Overlap 10 mm with neighbouring tiles. Align grey crosshairs (50 mm grid).

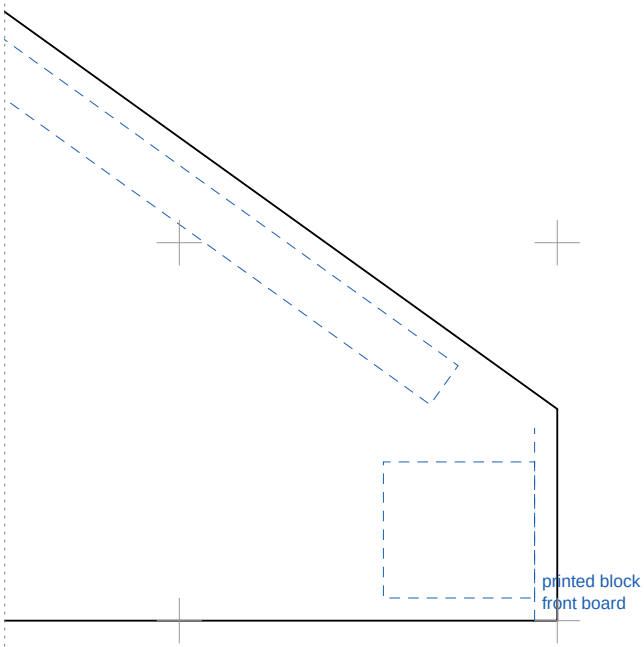

100 mm
4 in

Print at 100%. Both bars must measure true.

SIDE (make 2) row 1/1 col 2/2

Overlap 10 mm with neighbouring tiles. Align grey crosshairs (50 mm grid).

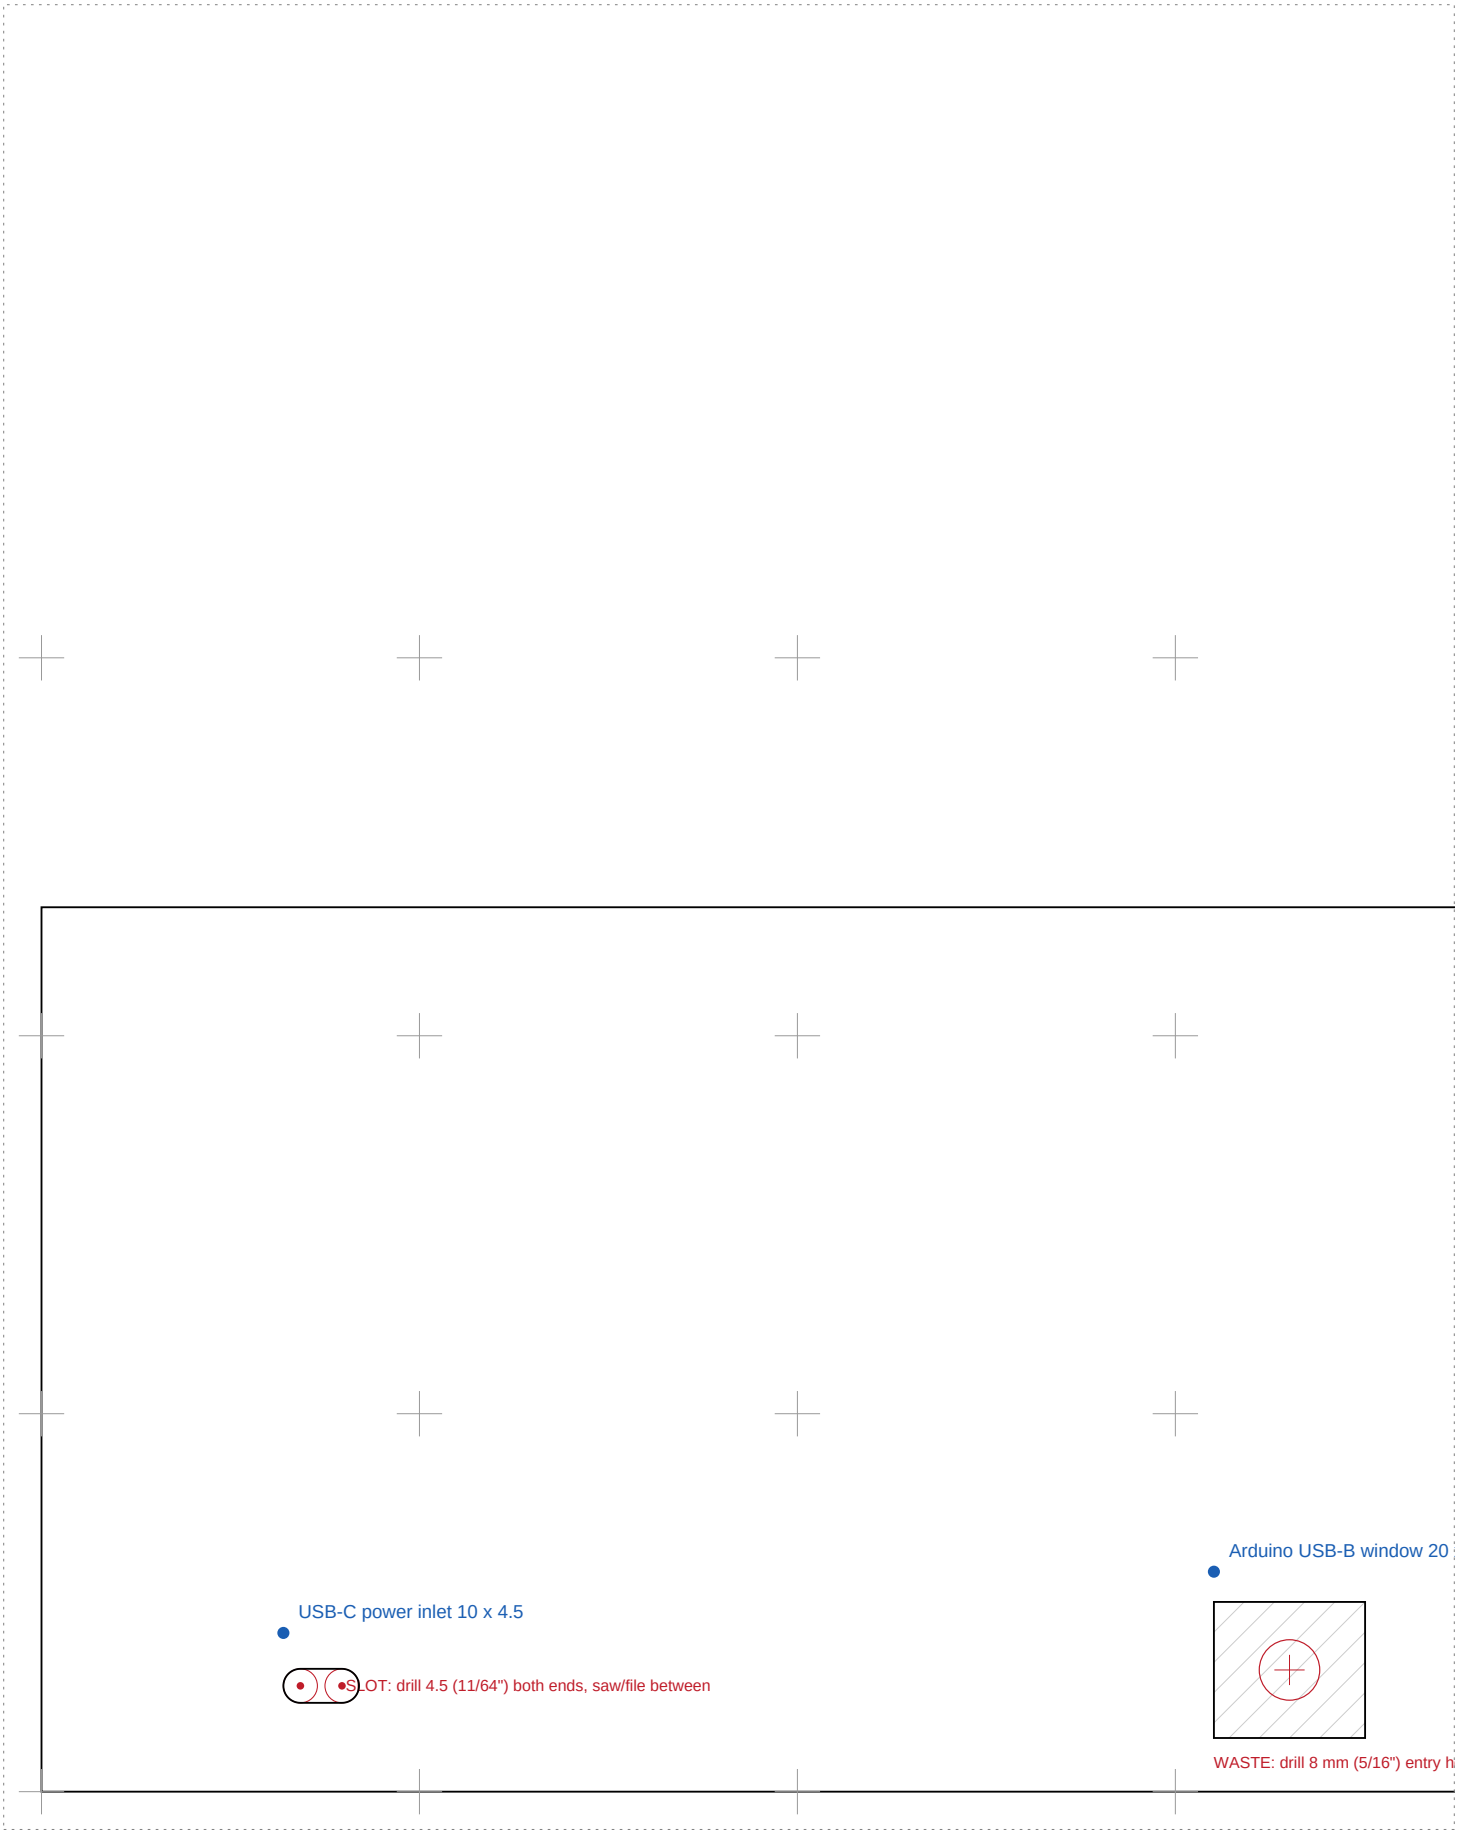

Print at 100%. Both bars must measure true.

BACK (make 1) row 1/1 col 1/2

Overlap 10 mm with neighbouring tiles. Align grey crosshairs (50 mm grid).

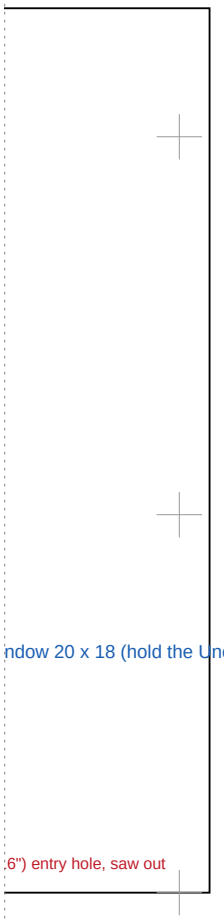

100 mm
4 in

Print at 100%. Both bars must measure true.

BACK (make 1) row 1/1 col 2/2

Overlap 10 mm with neighbouring tiles. Align grey crosshairs (50 mm grid).

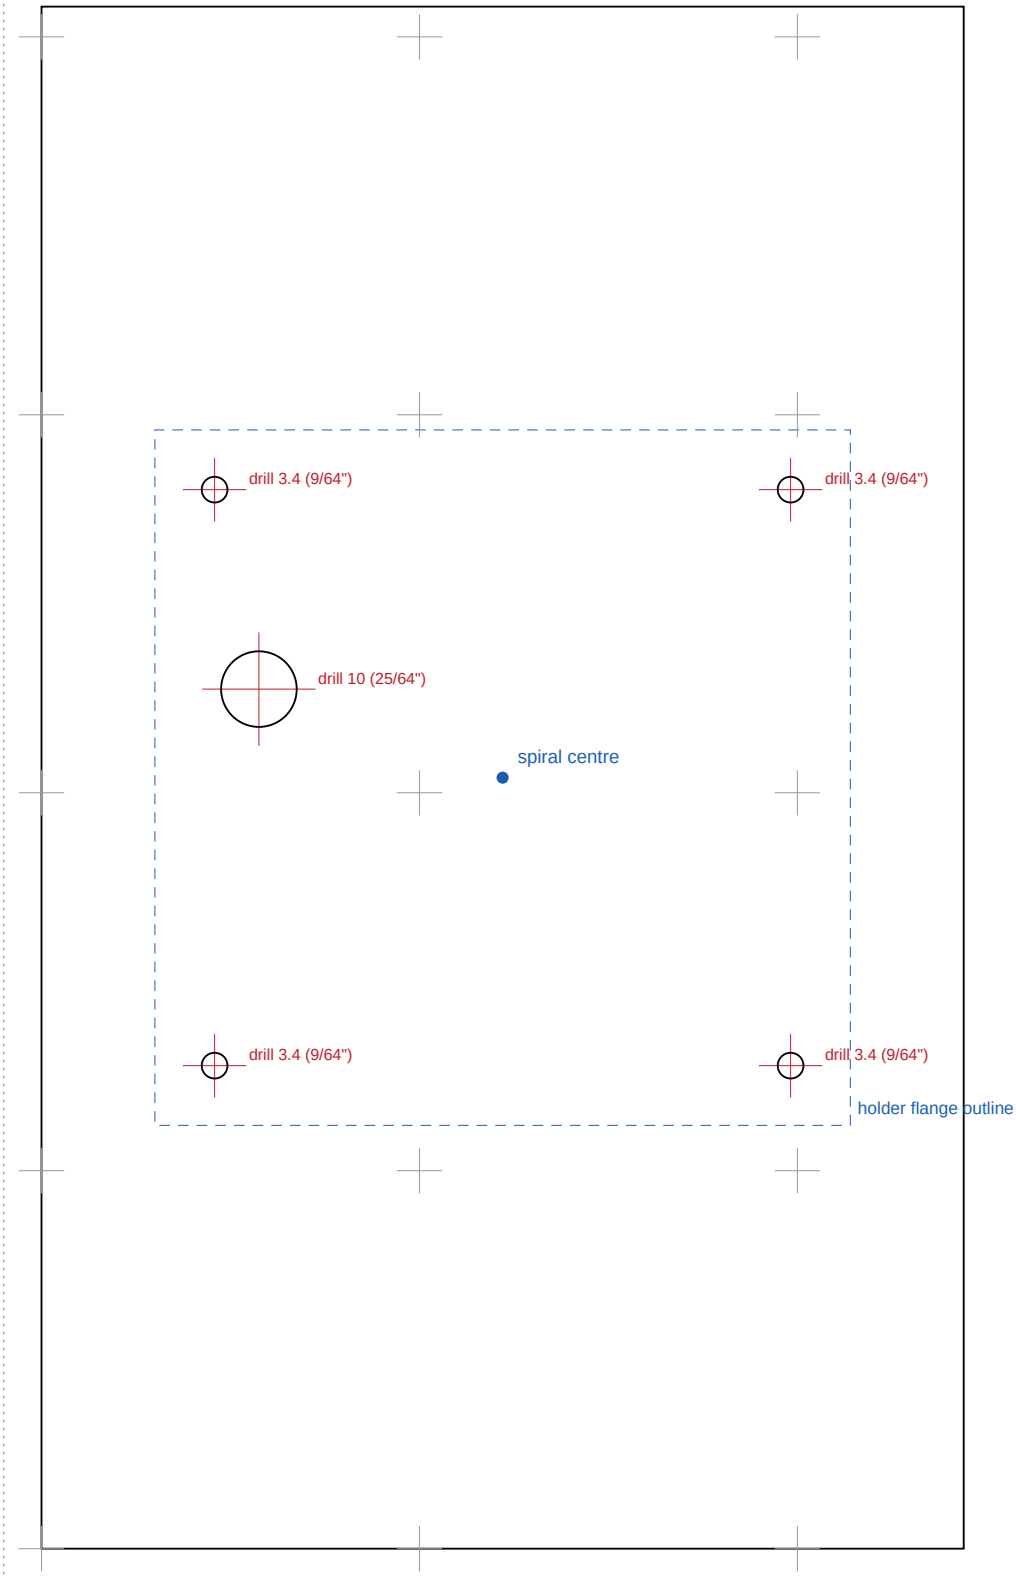

Print at 100%. Both bars must measure true.

TOP (make 1) row 1/1 col 1/1

Overlap 10 mm with neighbouring tiles. Align grey crosshairs (50 mm grid).

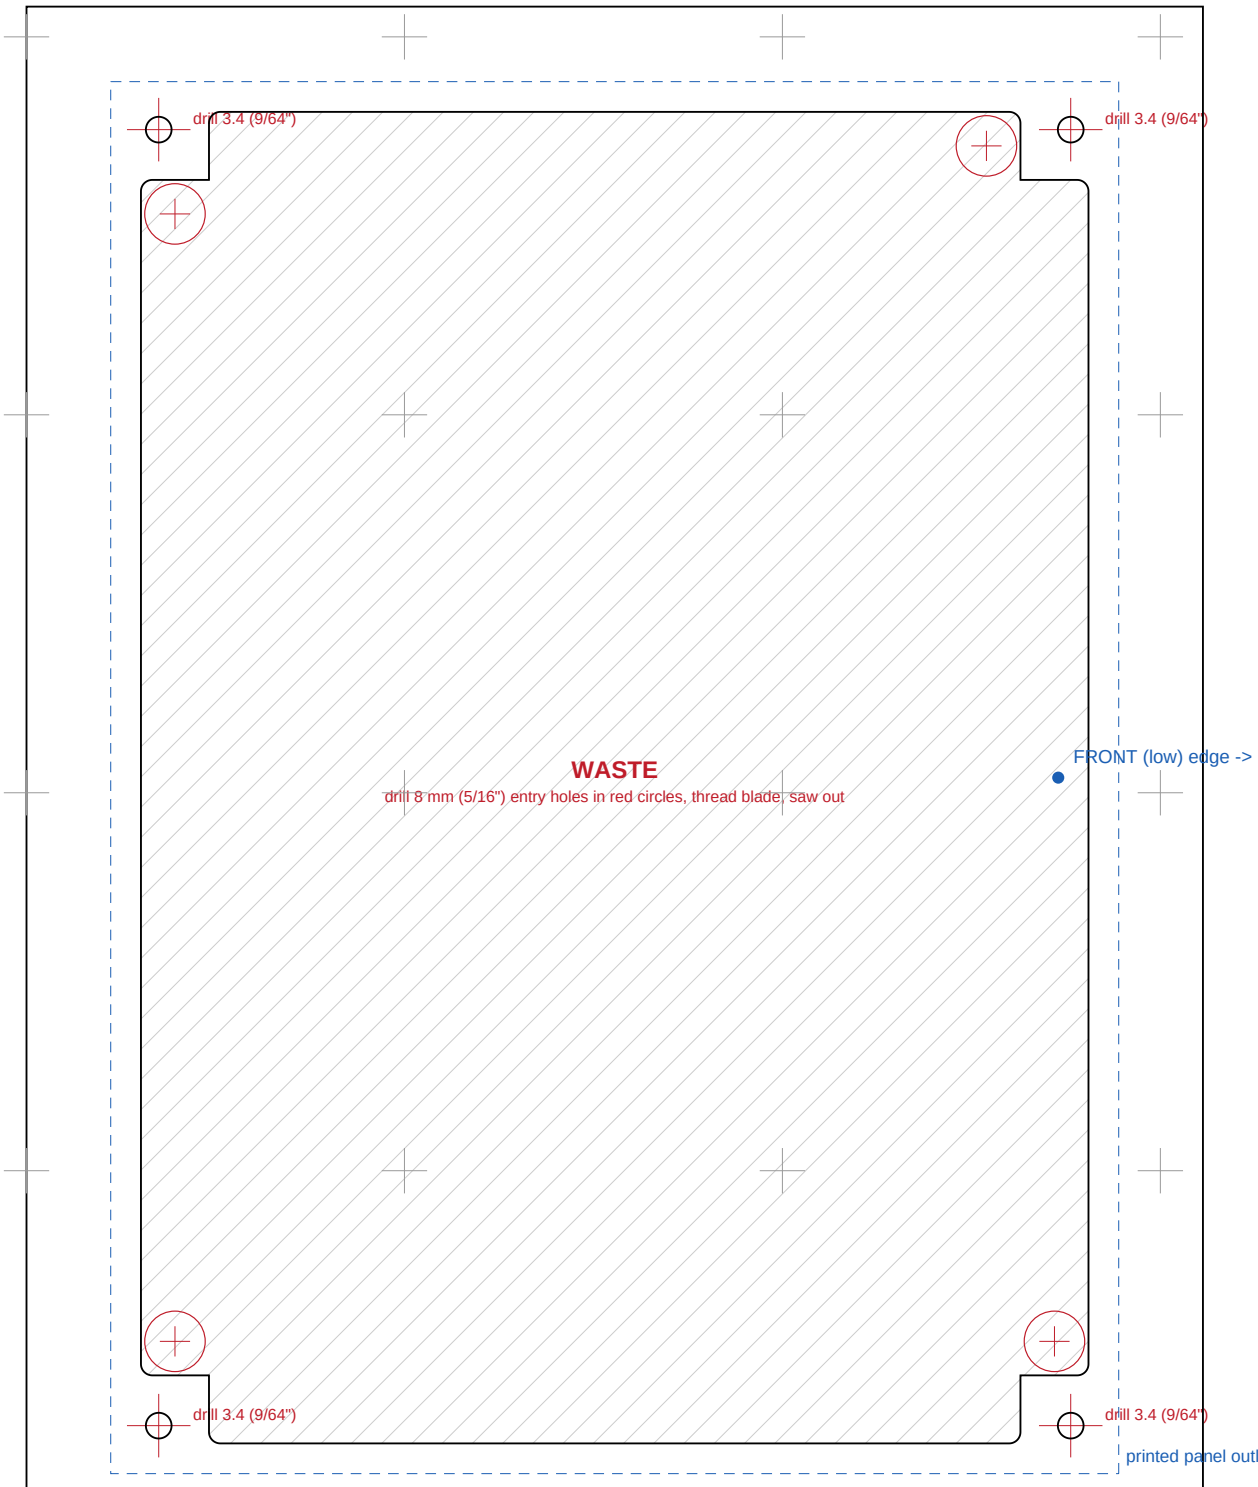

100 mm
4 in

Print at 100%. Both bars must measure true.

SLOPE (make 1) row 1/1 col 1/1

Overlap 10 mm with neighbouring tiles. Align grey crosshairs (50 mm grid).

100 mm
4 in

Print at 100%. Both bars must measure true.

FRONT (make 1) row 1/1 col 1/2

Overlap 10 mm with neighbouring tiles. Align grey crosshairs (50 mm grid).

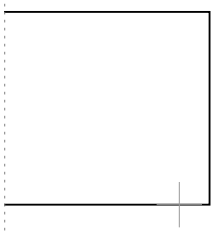

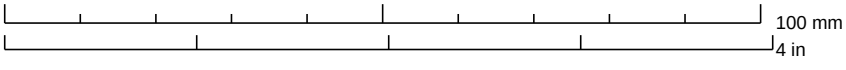

100 mm
4 in

Print at 100%. Both bars must measure true.

FRONT (make 1) row 1/1 col 2/2

Overlap 10 mm with neighbouring tiles. Align grey crosshairs (50 mm grid).

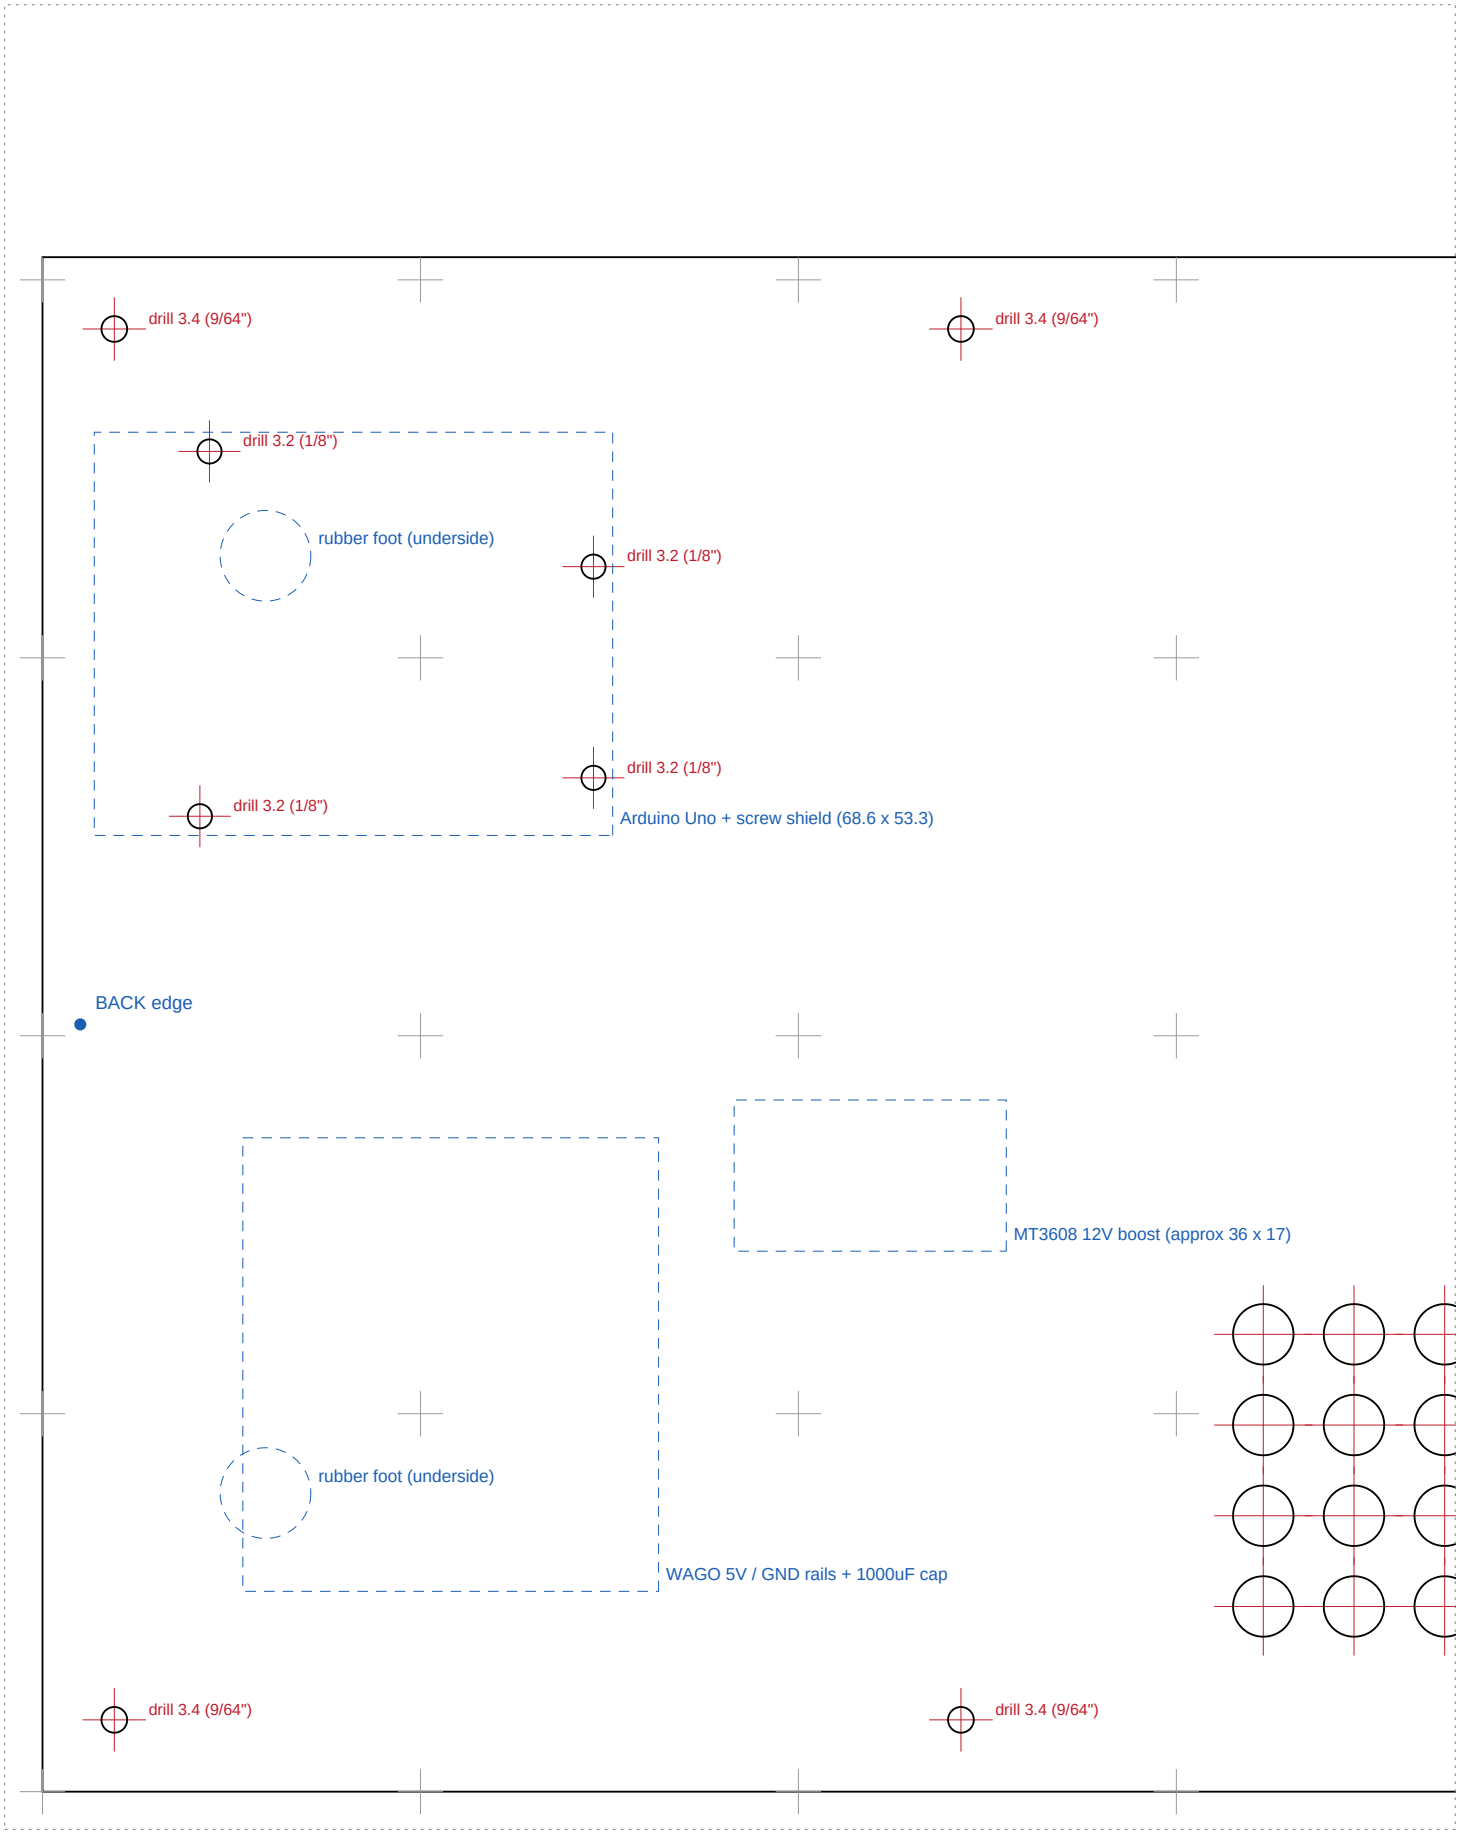

Print at 100%. Both bars must measure true.

BOTTOM (make 1) row 1/1 col 1/2

Overlap 10 mm with neighbouring tiles. Align grey crosshairs (50 mm grid).

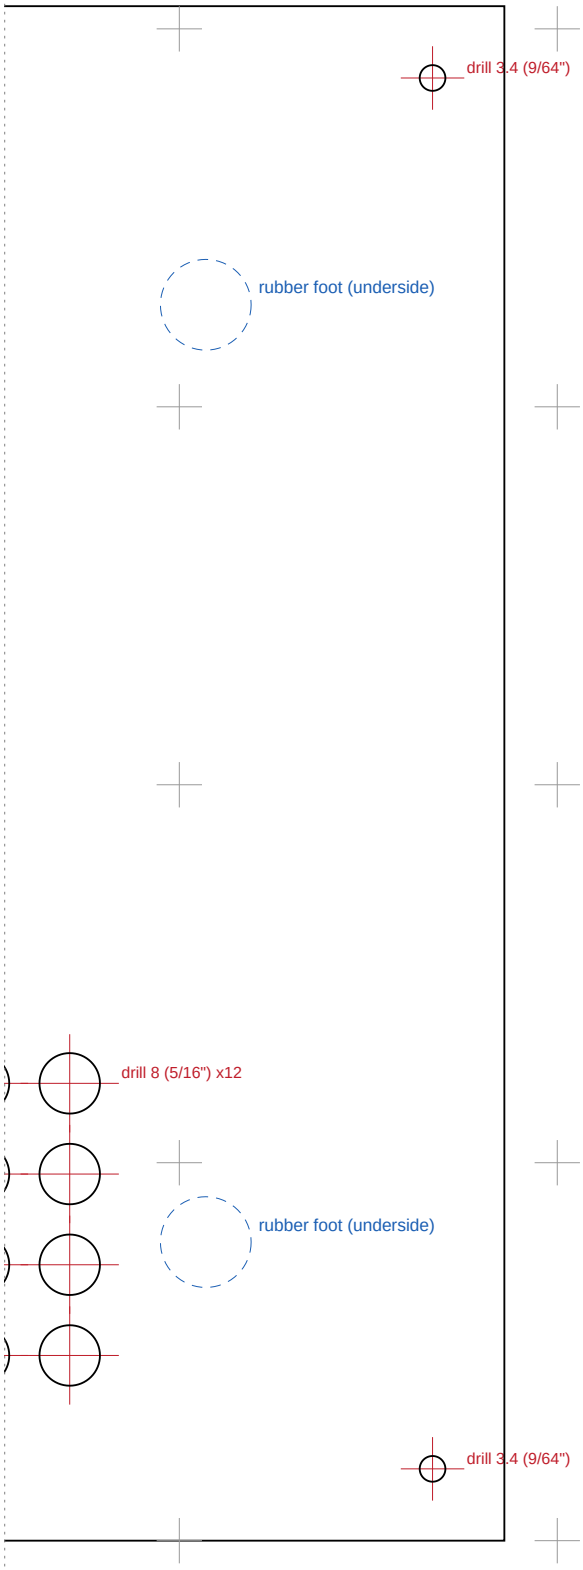

100 mm
4 in

Print at 100%. Both bars must measure true.

BOTTOM (make 1) row 1/1 col 2/2

Overlap 10 mm with neighbouring tiles. Align grey crosshairs (50 mm grid).
